Redeemer Lutheran Church is excited to be hosting the class "Perspectives on the World Christian Movement". Perspectives is a 15-week discipleship course that highlights the Biblical, historical, cultural, and strategic aspects of God's global purpose to draw all people into loving relationship with him. Each week we will have a different speaker ranging from a missionary doing business as missions work in Minneapolis to a missionary who worked with cannibals in Papua. Although the class sounds very missions oriented, it is more about what God has done and is doing in the world and how we can be a part of His plan. Here's what Pastor Steve Van Zanen, former minister of Raymond CRC and current missionary in Lithuania said about the class: "Taking the Perspectives course was a spiritual landmark for me. It provides information and inspiration to engage with God in His work of transforming the world through the Gospel of Jesus Christ.

Whether you are considering overseas service or just want to be a faithful disciple in West Central Minnesota, I can think of no better resource than Perspectives for deepening your vision and preparing your heart." The class is from 6-8:30 pm on Tuesdays starting January 16th. You are not required to attend all classes to pass the course. Cost is \$245 per person but you may attend the first 2 classes for free. There is a \$30 discount for registering before December 15. For more information and to register visit www.perspectives.org or contact Jayme Van Beek at vanbeekjs@gmail.com
