BIBLICAL AND REFORMED IN 2022

The past two years have been a time of exceptional upheaval for Christian Reformed congregations. We are surrounded by worry, fear, anger, doubt and division. Even so, God is on the throne! The "tree" may be shaking in the storm, but we have strong biblical and reformed roots. Former Dordt professor Dr. Syd Hielema, who has served the denomination these last eight years, will reflect on the role of these roots as a source of strength and stability in challenging times. "He is like a tree planted by streams of water, which yields its fruit in season and whose leaf does not wither. Whatever he does prospers." (PS 1: 3) You are invited to an interactive presentation, discussion and time of prayer at Covenant CRC in Sioux Center, Iowa on Tues., Mar. 1st from 7-8:30 pm. We hope that you can join us!
