

**1 Corinthians 12:12-31**

- 1) Paul compares the church to a body with all its different parts. How does Paul's image help you when you look at all the different individuals in our church?
  
  
  
  
  
  
  
  
  
  
- 2) Paul talks about making comparisons and drawing conclusions from those comparisons. How can we as members of Raymond CRC abstain from making comparisons between our individual gifts? What would you say to someone who thinks they are not of any value to the church?
  
  
  
  
  
  
  
  
  
  
- 3) One of the things that hinders a body is when one part isn't functioning as it ought or isn't functioning at all. How can we encourage those in the church who are under-functioning and relieve those in the church who are over-functioning?
  
  
  
  
  
  
  
  
  
  
- 4) How do we suffer with those that suffer and honor those who are to be honored?
  
  
  
  
  
  
  
  
  
  
- 5) What gifts has God given you and your family to use as a member and as a part of Raymond CRC?
  
  
  
  
  
  
  
  
  
  
- 6) How can the elders, deacons, and Pastor Aaron help you with these things we talked about?
